Business Discussed

- **Minutes:** Russ moved to pass minutes with correction, 2nd by Tony, passed unanimously
- **Parish Mission:** “Our Lenten Journey: Being Instruments of Peace”. There will be hospitality each night, Parish Council will host on April 2nd. Mission will be April 2nd – 4th from 7:30 -9 each evening.
- **Welcome table update:** Steve recommends tracking # of people stopping by table at each mass. Worship and Finance had no one stop by, Education had 2. Other suggestions are to move table forward to be in front of the St. Francis statue and to put an article in the bulletin.
- **Be My Witness:** Greg gave an updated schedule. Encouraged parish leadership to attend sessions. One of the sessions will be covered at the next Parish Council meeting (potentially Assessment Matters).
- **Hospitality Sunday/Parishioner Appreciation** – Starting in September 2017, Parish finance recommends once a quarter, amount budgeted TBD.
- **Inter-Parish Agreement:** Father passed out agreement. Puts into writing between St. Dominic and St. Francis for support of St. Dominic School.
- **Other topics:** Patty asked Finance Committee to talk about mulch bush trimming for spring.
